

Manufacturers of Power Transmission  
and Motion Control Components

American Engineered \* American Made

## PULLEY STOCK SHIPPED WITHIN 72 HOURS GUARANTEED

We have pricing and delivery for distributors that will increase profits and deliver product quicker than anyone in the pulley stock business. CMT also offers a complete line of matching pulley flanges.

We'll guarantee shipment of up to 5 pieces of many different sizes in aluminum and steel within 72 hours (3 business days) or we'll pay the UPS ground shipping.

Need pulley stock for the manufacturing of rapid prototype or repair applications?
